<p>The 1997 Valpolicella's opaque purple color is accompanied by a thick, glycerin-imbued texture with immense concentration, fabulous purity, and copious quantities of smoky, earth-infused, blackberry and cherry fruit. This awesome effort must be tasted to be believed. It will be released later this year, and should drink well for 10-12 years.</p> <p>(Not yet released)</p> <p>Importer: Vias Imports, New York, NY; tel. (212) 629-0200</p>
